EXPERIENCE

ELEVATE CONSULTING

Joined the team in 2019

BC PROVINCIAL GOVERNMENT

Ministry of Education

Director, January 2017-April 2019

Corporate & Strategic Planning

Responsibility for designing and leading the ministry's internal resource planning cycle; including supporting executive in identifying long-term organizational goals and potential risks to achieving them, interpreting proposed programs and projects to ensure alignment with strategic objectives, and recommending an appropriate allocation of resources.

Financial Review & Cabinet Decision Requests

Experience delivering on government's budget & financial management functions; including providing direction and advice to senior leaders to guide effective and fiscally responsible decision-making.

Demonstrated experience in the preparation of Treasury Board Submissions, presentations for elected officials, issue papers, and briefing notes.

Ministry of Social Development

Manager, June 2013-January 2017

Project Leadership

Experience leading cross-ministry project teams with complex and potentially conflicting mandates, that had significant political, legislative, financial and systems considerations.

Financial & Business Analysis

Implemented a fiscal management strategy for the delivery of employment programming services in the province, using both financial and non-financial data sets, that led to the effective and efficient use of available program resources.

PASSION STATEMENT

 I strive to be the type of person my dog already  thinks I am.

STRENGTHS

Problem-Solving & Critical Thinking

Hayley is passionate about problem solving—the more complex the better. Hayley excels at finding connections between seemingly unrelated issues or situations and using those connections to build multi-faceted solutions for her clients.

Organizational Acumen

Hayley strives to help clients achieve peak organizational performance by drawing on her experience to understand the potential implications of business decisions and the processes and policies that inform them, and designing meaningful actions and next steps to meet desired outcomes.

Adaptability & Flexibility

Hayley has the ability to thrive in a variety of diverse situations and can adapt easily to changes in direction and shifting environments, while promoting new and innovative approaches and practices.

Building Partnerships & Alliances

Hayley has demonstrated success in fostering trust with teammates and partners and using her strong communication skills to build alliances across a range of stakeholders in order to advance business objectives.
